### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on November 7, 2006 has been entered.
2. The Information Disclosure Statement filed November 7, 2006 has been considered. The references alone or in combination form do not teach nor suggest structurally similar compounds as those instantly claimed. Additionally, there is no teaching to modify the prior art compounds to derive the instantly claimed compounds. As such, claims 1-11 are allowed.
3. The Request for Corrected Filing Receipt has been considered and entered. The named inventors are Jeffery Michael Axten, William Henry Miller, and Mark Andrew Seefeld.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
